

HERBERT SCHOOL

EDUCATION WITH A DIFFERENCE

Changangei Airport Road, Imphal - 795140

CLASS XI NOTICE

Dated : 19th July 2022

The school management, teachers and staff of Herbert School would like to thank parents and students for choosing Herbert School as their school for 10+2 studies and the school authority would like to reassure the parents/guardians that every possible measure will be taken up to provide quality education at the best level.

As the Covid pandemic is still prevalent at Manipur, there is no possibility of opening school and holding physical class in the near future. Herbert School has been imparting online classes since 2020 and we are the first school in Manipur to introduce online class in its true sense. Online class is the only option available to teach students and therefore, students of Class XI who have been admitted at Herbert School will be taught in online mode only till the government allow us to hold physical classes.

The admission process is almost over and we are updating student roll no, section for each student at the "**Student Log in**" of herbertschool.net within 2 days. Students can check their roll no, section etc at the "**Student Log in**" after 2 days by using their Form No and Password. "**Candidate Portal**" will be disabled with immediate effect.

The first class of Class XI for the academic year 2022 - 23 will commence from **25th July 2021 from 8.30 am to 2 pm** and therefore, parents are requested to make available the following items with the students before the start of online class:

1. Separate mobile no /separate sim for the student
2. Smart phone/ Laptop/Tablet/Desktop Computer
3. Zoom app to be installed in their smart phone / Laptop/computer
4. Internet data of 1.5 to 2 GB must be available per day

All admitted students are compulsory to install "**Herbert App**" from the Google Play store in their smart Phones. For this, they are required to update student's mobile No at the "**Student Log in**" page as this is mandatory for installation of "**Herbert app**" at their smart phones.

(Dr. K. Nabachandra Singh)
